SELECTMEN'S REPORT

The year 1991 has been a tough year in many respects. Due to the economic situation many of our residents are facing hard financial times. This is also true for municipalities. Combined with a slower rate of receiving tax monies, municipalities saw their State Revenue Share Funds threatened. The NH Legislature saw a fierce battle to retain these funds this past year. They survived the 1991 session but face another battle this year.

As you will note in the Tax Collector's Report, monies collected for taxes are down considerably. This has, for the first time ever, made it impossible to pay off our tax anticipation notes totally. As of 12/31/91 the Town of Jefferson owes a \$200,000 balance on their 1991 tax notes.

In addition to the threat of taking away our Revenue Share Funds, the State of New Hampshire continues to impose various fees and rules and regulations which have the effect of increasing our cost of running this office. For example, the Dept. of Revenue Administration adopted a new chart of accounts for use on annual forms it requires municipalities to submit each year. Though towns were not notified of these changes until late fall, Revenue Administration has required we submit reports for 1991 in the new format. This has generated an extra amount of work to convert our 1991 expenses and revenues to these reports.

You will note several new expense titles in this year's budget, evidence of the new Revenue Administration forms. The accounts "Town Officers' Salaries" and "Town Officers' Expenses" no longer exist according to Revenue Administration. The "Executive" account includes the expenses and salaries of the Board of Selectmen including their office staff and their office expenses. The account "Election, Registration and Vital Statistics" includes salaries and expenses for the Town Clerk and Supervisors of the Checklist. The account "Financial Administration" includes all expenses and salaries of the Tax Collector, Treasurer and Auditor. It also includes all expenses relating to assessing, accounting and bookkeeping. These expenses were formerly included in the accounts "Town Officers' Salaries" and "Town Officers' Expenses." The account "Advertising and Regional Associations" includes such expenses as dues to the NH Municipal Association and North Country Council.

On an up note, several Town buildings received a fresh coat of paint and other improvements. The Library and Fire Station were painted, and the Fire Station received new insulated overhead doors. The Triangle at the intersection of Rts. 2 and 115A received some refurbishing also.

This year, thanks to the assistance of Mariette Lemieux, a franchise agreement for cable television service was signed with Grass Roots Cable Systems to provide a combined cable tv system with the Town of Randolph. Grass Roots performed site surveys for a receiving site and conducted signal tests in Jefferson and Randolph to find a possible location for

a receiving site. Testing went well except for NBC which it appears they will have to import by satellite. They completed a detailed financial package to be sent out to major lenders in September to secure financing for additional cable construction. Due to the current poor economic conditions our latest communication indicated Grass Roots had been unable to secure the required financing to complete the system.

As you will note in the report of the Androscoggin Valley Regional Refuse Disposal District, major steps forward were taken in the area of solid waste disposal. Jefferson became a member of the District in April and has been well represented at all District meetings by Joanna Fyon, Bruce Houghton and Ted Clukay. James River Corp. opened its Mt. Carberry Landfill to municipalities, and the recycling facility was opened. The Town of Jefferson received a grant from the NH Governor's Recycling Grants Program in the amount of \$5,500 which will offset a portion of the cost of the two roll-off recycling containers purchased.

Despite a lack of visible evidence, the municipal sewer project has progressed this past year. The Town received two Community Development Block Grants from the State in the amounts of \$41,000 and \$241,000. The firm of Provan & Lorber Inc. of Littleton was hired to design the sewer system. Design work is now complete and awaiting approvals from appropriate State agencies. It is hoped that it will go to bid early this spring and construction can begin soon after. Stumbling blocks on the project have been caused by the gasoline contamination on the Estabrooks property and the perceived responsibility in addressing these issues. The Board made the decision to hire an environmental attorney to assist it in negotiating with the State of New Hampshire with regard to these liability issues of gasoline contamination. Application has been made to the State for reimbursement of the costs involved; however no word has been received for several months.

We thank you for the opportunity to serve you this past year.

Respectfully submitted,

Theodore P. Clukay, Chairman
Carroll E. Ingerson, Member
Raymond M. Conway, Member

BOARD OF SELECTMEN

WARRANT 1992 TOWN MEETING

THE POLLS WILL BE OPEN FROM 12:00 NOON TO 8:00 P.M.

To the inhabitants of the Town of Jefferson in the County of Coos in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Town of Jefferson on Tuesday, the Tenth day of March next, at 7:30 p.m. of the clock in the evening, to act upon the following subjects:

ARTICLE 1: To choose all necessary Town Officers for the ensuing year.*

ARTICLE 2: To see if the Town will vote to raise and appropriate such sums of money as may be necessary to defray Town charges for the ensuing year.

ARTICLE 3: To see if the Town will vote to authorize the Town Clerk to collect a motor vehicle registration surcharge, the amount of which is set forth in RSA 261:153 as follows:

\$5.00 (Five Dollars) for heavy vehicles, including mobile homes and house trailers, heavy trucks and truck-tractors whose gross weight exceeds 18,000 pounds, and buses;

\$3.00 (Three Dollars) for automobiles, light vehicles including trucks, and commercial motorized vehicles including tractor trailers; and

\$2.00 (Two Dollars) for special use vehicles including all-terrain vehicles, agricultural and farm vehicles, historic vehicles, and two-wheeled vehicles including mopeds, motorcycles, and non-motorized car and boat trailers;

And further, to require the Town Clerk, after deducting \$.50 from each fee to cover administrative costs, to deposit the remainder into a town reclamation trust fund, which is hereby created pursuant to RSA 149-M:13a, to be held by the Town Treasurer in a separate account, and to be spent under the direction of the Selectmen to pay for the collection and disposal of used motor oil, motor vehicle batteries and motor vehicle tires from vehicles registered by Town residents; any excess in the fund may be used for the recycling and reclamation of other types of solid waste.

ARTICLE 4: To see if the Town will vote to authorize the Board of Selectmen to enter into a lease agreement for the purpose of leasing a one-ton 4-wheel drive pick-up truck for the Highway Department, and to raise and appropriate the sum of Eighty-seven Hundred Dollars (\$8,700)

for that purpose. (Majority Vote Required)

ARTICLE 5: To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000) to add to the Highway Vehicle Capital Reserve Fund. (Majority Vote Required)

ARTICLE 6: To see if the Town will vote to raise and appropriate the sum of Eight Hundred Dollars (\$800) for the purchase of 1 radio, 3 jumpkits and 2 oxygen gauges for the F.A.S.T. Squad.

ARTICLE 7: To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of purchasing land for a Town cemetery and to raise and appropriate the sum of Two Thousand Dollars (\$2,000) to be placed in this fund. (Majority Vote Required)

ARTICLE 8: To see if the Town will vote to raise and appropriate the sum of Five Hundred Dollars (\$500) to be added to the Capital Reserve Fund for closure of the Town Dump. (Majority Vote Required)

ARTICLE 9: To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000) to be added to the Capital Reserve Fund for Revaluation of the Town. (Majority Vote Required)

ARTICLE 10: To see what action the Town will take on the following: "We the undersigned petition the town of Jefferson, NH to increase the town treasurer's annual salary by the sum of Three Hundred Dollars (\$300); from Seven Hundred (\$700) to One thousand (\$1,000) dollars." (By petition)

ARTICLE 11: To see if the Town will vote to raise and appropriate the sum of Three Hundred Fifty Dollars (\$350) to help pay the insurance premium on the Jefferson Historial Building, such sum to be given to the Historical Society Treasurer by August 25, 1992. (By Petition)

ARTICLE 12: To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000) to make some needed repairs on the Historical Building. (By petition)

ARTICLE 13: To see if the Town will vote to create an expendable general fund trust fund under the provisions of RSA 31:19-a, to be known as the Skating Rink Maintenance Fund, for the purpose of repairing and maintaining the town skating rink and to raise and appropriate the sum of Two Hundred Dollars (\$200) toward this purpose; furthermore to name the Selectmen as agents to expend. (Majority Vote Required)

ARTICLE 14: To see if the Town will vote to raise and appropriate the sum of Five Hundred Dollars (\$500) for a contribution to the Tri-County Community Action Program.

ARTICLE 15: To see if the Town will vote to raise and appropriate the sum of Three Thousand Three Hundred Ninety and 57/100 Dollars (\$3,390.57) for a contribution to Weeks Home Health Services Inc.

ARTICLE 16: To see if the Town will vote to raise and appropriate the sum of One Thousand Three Hundred Seven and 26/100 Dollars (\$1,307.26) for a contribution to White Mountain Mental Health & Developmental Services.

ARTICLE 17: To see if the Town will vote to raise and appropriate the sum of Five Hundred Thirty-eight Dollars (\$538) for a contribution to the Lancaster District Court Juvenile Diversion Program.

ARTICLE 18: To see if the Town will vote to raise and appropriate the sum of Four Hundred Fifty Dollars (\$450) for a contribution to the North Country Senior Meals.

ARTICLE 19: To see if the Town will vote to remove the positions of Prosecuting Officer and Constable from Town Government, effective immediately.

ARTICLE 20: To see if the Town will vote to authorize the Board of Selectmen to dispose of such equipment of the Town as the Selectmen in their sole discretion, deem equitable and just.

ARTICLE 21: To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend, without further action by the Town Meeting, money from the State, Federal or other governmental unit or a private source which becomes available during the fiscal year. (RSA 31:95b)

ARTICLE 22: To see if the Town will vote to authorize the Library Trustees to apply for, accept and expend such gifts or grants from the State, Federal or other governmental unit or a private source which becomes available during the fiscal year. (RSA 202-A:4-c)

ARTICLE 23: To see if the Town will vote to authorize the Board of Selectmen to administer and dispose of any real estate, acquired by Tax Collector's deed at public or private sale, as the Selectmen in their sole discretion, deem equitable and just. (RSA 80:42 [I] and [III])

ARTICLE 24: To see if the Town will vote to authorize the Board of Selectmen to accept gifts of personal property, other than money, which may be offered to the Town for any public purpose during the fiscal year. Such authorization shall remain in effect unless rescinded by vote of Town Meeting. (RSA 31:95-e)

ARTICLE 25: To see if the Town will vote to authorize the Board of Selectmen to borrow money in anticipation of taxes.

ARTICLE 26: To see if the Town will vote to allow the Tax Collector to accept prepayment of taxes.

ARTICLE 27: To transact any other business that may come before this meeting.

*Article 1 to be voted by ballot while the polls are open.

Given under our hands and seal this 18th day of February in the year of our Lord Nineteen Hundred and Ninety-two.

FIRE CHIEF'S REPORT

During the past year the Fire Department responded to 19 fire calls. The lower number of fire calls this year can be attributed to our towns-peoples' awareness and practicing of fire prevention. Fire prevention is the key to fire safety.

Training this year included:

- 2 members - State certified Fire Fighter Level I Instructor
- 1 member - State certified Level I
- 2 members - Presently taking Level I course
- 2 members - EMT Trained
- 3 members - completed State certified vehicle extrication course

Many members have participated in training with the Northern NH Mutual Aid Pack, of which we are a member. During "Fire Prevention Week" the Fire Department, with the cooperation of the teachers, made a presentation to the Jefferson Elementary School children. This is always a lot of fun and very educational for everyone involved. Members of the Fire Dept. participated in a "Firemens Muster" this past summer and came home with many ribbons and the trophy.

The fire station was spruced up with a coat of paint due to the efforts of Fire Dept. member volunteers and with the installation of two new insulated overhead doors. We also outfitted two members with new Nomex turnout gear--helmets, coats, pants, boots and gloves--NFPA approved. This is an ongoing attempt to update all our gear.

Through the cooperation of Audley Construction Co. and Waumbek Village Inc. one dry hydrant was installed in the Audley pond in the Meadows and one hydrant was replaced at the Waumbek pool. State permits were obtained, and two fire ponds were cleaned.

The Department encourages the use of smoke detectors. A good way to remember to change the batteries is when you change your clock in the spring and fall, change your smoke detector batteries.

Attendance was good this year and morale high. I want to take this opportunity to thank all our members for their time and effort; our "red net" operators and the people of Jefferson for their continued support. Any questions may be directed to me or any Fire Dept. member. Please feel free to call at any time.

Respectfully submitted,

Vyron D. Lowe, Chief

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

1991 was a very dry and busy year for the New Hampshire Forest Fire Service as well as local fire departments due to our increase in the number of fires. Our three major causes of fires in 1991 were non-permit, children and smoking materials. 450 wildland fires in New Hampshire burned approximately 150 acres for an average fire size of one-third acre.

Primarily, the local fire department is responsible for extinguishing these fires. Keeping the average fire size this small is a tribute to early detection by citizens, our fire tower lookout system and the quick response of our trained local departments.

In every municipality, there is a Forest Fire Warden and several Deputy Wardens that are responsible for directing suppression action on wildland fires, working with other fire department members under the direction of the NH Forest Fire Service to make sure that all fire department members are properly trained and equipped for suppressing wildland fires. Forest Fire Wardens and Deputy Wardens receive specialized training each year, presented by the NH Forest Fire Service, to keep their skill level and knowledge of forest fire laws up to date.

The local Warden and selected Deputy Wardens are also responsible for issuing burning permits for any open burning that is to be done in their community. In New Hampshire, any open burning, except when the ground is completely covered with snow, requires a written fire permit prior to lighting the fire. Before doing any open burning, it is recommended that you contact your local fire department to see if a permit is required and to save your community the cost of sending fire equipment on a false alarm. Any person violating the permit law (RSA 225:27) shall be guilty of a misdemeanor.

Please help your local Warden and fire department by requesting a fire permit before kindling a fire, be understanding if they tell you it is not a safe day to burn and help keep New Hampshire green! Thank you for being fire safe.

Richard C. Belmore
Forest Ranger

Vyron D. Lowe
Forest Fire Warden

Robert D. Nelson
Chief, Forest Protection

LIBRARY REPORT

What a new coat of paint does for a building! This past summer the Library was painted and it truly does look superb.

During the Fourth of July parade a memorable, patriotic ceremony took place. As part of this ceremony, the Whitefield VFW donated an all-weather flag to be flown at the Library.

As usual, the Friends of the Library are always planning projects for the improvement of our Library. Large wooden flower basins add to the outside beauty. Plans for new inside lighting are now underway.

The Library has been used as a meeting place for two organizations this year. We welcomed the Board of Adjustment and the Conservation Commission.

Several donations of books were made this year. Mr. and Mrs. Ben Sears gave a subscription to National Geographic World magazine, and John Miller gave a subscription to Sierra magazine. Our thanks for these donations.

Besides books, our Library offers a large selection of periodicals. Come in and browse. The Library receives or has access to Yankee, NH Profiles, Consumer Reports, Mt. Washington Observatory News Bulletins, Smithsonian, National Geographic, Sierra, Free China Review, People, Time, Country Woman and other women's magazines. There's something for everyone. Please visit.

BOARD OF ADJUSTMENT REPORT

The members of the Board of Adjustment are appointed by the Selectmen upon the recommendations of the Board of Adjustment. The present members are: Burleigh F. Wyman, Chairman; Craig Clukay, vice Chairman; Francis Dineen; Wayne Paschal; Dale Paschal. Alternates are Neil Gross and Joan "Pip" Saunders.

The Board of Adjustment met on the third Thursday of each month in the Selectmen's Office. Starting with the December 12, 1991 session, the Board will meet on the second Thursday of each month. All meetings were open to the public. All hearings and rehearings are posted at the Town Hall and the Post Office.

The Board met in twenty (20) sessions. They held twelve (12) abutters hearings: one (1) abutters rehearing; three (3) preliminaries; and twelve (12) decision and work sessions. The following list does not include the Waumbek Village, Inc. decision. Four (4) variances were granted; eight (8) special exceptions were granted; one (1) special exception for an automotive repair service was denied. The granted special exceptions with conditions were: one (1) home-based business for autobody repair; one (1) wholesale, dealer to dealer, automobile sales business; two (2) private cemeteries; one (1) snack bar; one (1) campground; one (1) transient tourist lodging units; and one (1) bonded automotive dealer (no dealer plate privileges). One (1) abutters rehearing request was denied. The Waumbek Village, Inc. were granted four special exceptions with conditions and many specific variances, some conditional.

A denied 1989 case for variances was brought before the NH Supreme Court in the Spring session, which returned to the Superior Court for an evidentiary hearing on August 27, 1991. This matter is scheduled again for the NH Supreme Court in 1992.

A 1990 case involving the Board's granting of a special exception for a home-based business was in the Spring session of the Superior Court. An evidentiary hearing was held on August 21, 1991. This matter has again been appealed to the Superior Court.

The Board used the services of the NH Municipal Association, North Country Council, Ray Lobdell and Attorney Paul Donovan, Town Counsel. These services provided the Board with vital information, procedural advice and supportive documentation.

The Board's expenses for 1991 surpassed the original projected figure by a large amount. Many secretarial hours were spent in preparation for the above related court cases, the evidentiary hearings and on the Waumbek case.

Wayne Paschal, Craig Clukay and Dale Paschal attended a Law Lecture concerning the Board of Adjustment in New Hampshire. All members were

involved in preparation for the Waumbek Village, Inc. hearing and in that decision-making process.

Mark Bechtold and James Martin resigned during the past year after many years of valuable service.

During the coming year the Board of Adjustment will continue to deal with variances and special exceptions of the Land Use Ordinance.

Respectfully submitted,

Rita M. Larcomb
Secretary

PLANNING BOARD REPORT

The Jefferson Planning Board consists of the following members: Ernest Angelicola, Chairman; John Miller and Vernard Bronson, Co-Vice Chairmen; James Brady Jr.; Earl Brooks; George Romaine; Theodore P. Clukay, Selectmen's Representative. Associate members include: John Marshall; Marjorie Doan; Gordon Winsor; and Rita Cloutier.

The Board met on the second and fourth Tuesdays of each month in the Selectmen's Office (excluding 2nd Tuesday in March - Town Meeting, and the 4th Tuesday of December - Christmas). All meetings are open to the public.

The Board held 8 preliminary hearings; 10 abutters hearings (2 having been carried over from 1990); and approved 10 subdivisions, all being minor subdivisions (3 lots and under); approved 2 boundary line adjustments and held several information consultations. Out of the 10 approved subdivisions, 17 new lots were created.

Board Chairman Ernest Angelicola, with the cooperation of volunteer Peter Guest, has been working to create a computerized data base for the Master Plan. A contract was signed with North Country Council to provide mapping for the Master Plan. Board members have attended several meetings, workshops and forums sponsored by North Country Council, Society for the Protection of NH Forests, NH Historical Society, NH Audubon Society, Coos Conservation District, USDA Soil Conservation Service, UNH Cooperative Extension Service, and the NH Natural Resources Council.

Public hearings were held to present proposed amendments to the Land Use Plan Ordinance. Amendment #2 - changes to permitted uses and special exceptions and #3 - cluster housing development plan - were subsequently adopted at Town Meeting.

NH towns and cities have been mandated by the State to become the regulators of excavations. As regulations, the Planning Board requested and received reports from existing "grandfathered" gravel pits. In September a public meeting was held to present the proposed excavation regulations, after which the regulations were adopted by the Board.

In November a public hearing was held to present proposed changes to update the "Town of Jefferson, Subdivision Procedures and Regulations." The changes were subsequently adopted by the Board. In addition, the minor subdivision checklist and application form were also updated.

The Board utilizes the services of North Country Council, Town Counsel, NH Municipal Asso., and private consultants in its decision making process.

The Board will continue to work throughout the new year to update the Planning Board regulations and the Master Plan.

Respectfully submitted,
Ruth C. Lowe, Secretary

CIVIL DEFENSE REPORT

Under the provisions of U.S. Public Health Laws 91-920 and 93-288 and the State of New Hampshire Executive Department, Office of Emergency Management, the Selectmen of Jefferson, NH appointed Mr. Robert German as Director, Jefferson Emergency Management succeeding Mr. James W. Martin, effective on January 1, 1991. The title, CIVIL DEFENSE listed under PUBLIC SAFETY on page 9 of the Town of Jefferson Annual Report 1990, will herein after be entitled EMERGENCY MANAGEMENT.

The Director attended a three day seminar, "Introduction to Hazardous Materials" for Public Officials and Emergency Management Directors, sponsored by the NH Office of Emergency Management in July 1991 at the Ramada Inn in Concord, NH.

Plans for 1992 in Emergency Management are as follows: 1. The Director's attendance at two State sponsored seminars; 2. The Director will obtain four additional allocations for subject seminars; attendees to be selected by the Director, Emergency Management, Town Selectmen, and/or the Chairpersons of Town Boards and the Chief of the Fire Dept.; 3. The Director will attempt to establish an active liason with the Fire Department and other applicable Town Boards as deemed necessary by the Board of Selectmen; 4. During the FY 1992 the Director will attempt to establish an active liason with his counterparts in the neighboring towns of Carroll, Dalton, Lancaster, and Whitefield for the purpose of increasing the overall effectiveness in emergency preparedness within these communities.

Items 1 and 2 are contingent on the availability of funds as requested in the 1992 budget for Emergency Management.

Respectfully submitted,

Robert German, Director

JEFFERSON CONSERVATION COMMISSION ANNUAL REPORT

The Jefferson Conservation Commission operates under RSA 36-A "for the proper utilization and protection of the natural resources and for the protection of water resources of the town". The Handbook for Municipal Conservation Commissions explains: "It provides a focal point within municipal government for environmental concerns". (1988 p. II-1)

The commission is entitled to seven members and as many alternates. At present there are six members: Marjorie Doan, Chairman; Winnie Ward; Doug Grella; Bruce Houghton; Helen Merrill; and Jim Holmes. The resignation of Rita Larcomb as alternate member was accepted with regret in October. The commission meets once a month. Meetings are open to the public.

During the past year the activities of the Commission included completing the maps and information comprising the Natural Resources Inventory. The reason for the Inventory being that we "can hardly make a recommendation on the proper use or protection of natural resources without knowledge of what those resources are." (Handbook p. II-1) It will be offered for public comment soon. The Commission assisted the Selectmen by assembling two permit applications for the Wetlands Board of the Dept. of Environmental Services, one for the annual dredging of the Town fire ponds, the other for mapping the location of Town road culverts in case of emergency need for repairs or relocation.

The Commission made the annual inspection of the late Herb Hartley property, upon which the Town holds a conservation easement. It co-sponsored a nature walk and a ski tour to Cherry Pond. Commission members went to meetings and workshops around the State. Various members attended the NH Association of Conservation Commissions annual meeting, Society for the Protection of NH Forests workshops and meetings in Littleton, Plymouth and Concord, several meetings with the Lancaster Conservation Commission; Wetlands meetings, Rivers Protection Program meetings, Connecticut River meetings, and the Northern Forest Lands Study meetings.

Commission members also met with the director of the NH Rivers Program to consider getting Israel's River included. The Commission has decided to cooperate with surrounding towns in pursuing this project.

One of our future goals is exploring the Community Cornerstones Project, an offspring of the Governor's Commission on the 21st Century. This is a consensus of "21 things" worth preserving in our Town. This is a way for citizens to become involved in the community. It is desirable to have the input and cooperation of all the town boards and organizations, school and clubs, and make it a truly town-wide undertaking.

Respectfully submitted,

Marjorie Doan, Chairman

JEFFERSON HISTORICAL SOCIETY

The guest book for 1991 showed 167 people visited. Some were researching their families. Two parties from California were pleased with the information available--one party researching the Rines family, the other interested in Perkins ancestry. Children, as well as adults, are fascinated with the ingenuity of our ancestors.

The museum was open Sunday afternoons from Memorial Day until Columbus Day. Society members participated in Memorial Day and Fourth of July observances.

A number of donations for display were received, and the Society welcomes items--gifts or loans--such as pictures, books, household items, diaries, record books, etc.

In preparation for our Bicentennial in 1996 we have a special project--collecting early (as well as late) pictures of houses and people. All families are urged to help with this program by sending a history and any pertinent information--when built, who lived there, when purchased, as well as early pictures if available.

The Society is open to all townspeople and meets the second Monday of each month except December and January. Meetings are held at the Museum in summer and at Applebrook Bed and Breakfast in cold months.

Jefferson has a rich heritage which is important to all of its citizens and future generations will study today's events to learn about its past and about its people.

Below is a summary of repairs to the Historial Building in 1991:

Materials	\$1,961.78
Equipment, materials for drainage work	635.00
Labor	<u>6,781.50</u>
TOTAL	\$9,378.28

Sills replaced were needed. Bracing was done on the east and west walls, alsoback wall. Sill flashing the length of the east side. No flashing was need on the west side. New smaller windows were installed and two large windows were repaired. A drainage ditch was dug and filled with inch and a half stone. The trench is to protect from heaving and highway vibration.

Respectfully submitted,

Helen M. Merrill
President

ANDROSCOGGIN VALLEY REGIONAL REFUSE DISPOSAL DISTRICT

The AVRDD was established in 1989 and constituted seven member towns (Berlin, Gorham, Dummer, Randolph, Stark and Northumberland). In the past two years Errol, Groveton and Jefferson came aboard. The District is organized as a legal entity under RSA 53-B.

The AVRDD saw a very busy year in 1991. The Board of Directors (with a representative from each member town) met 23 times during the year with District goals in sight. Action was taken to purchase land on Rt. 110 from James River Corp. where the Recycling Center would be located. A design for the facility was approved, and the land purchase was finalized.

The District borrowed \$750,000 from the New Hampshire Municipal Bond Bank to build and equip the recycling center, and a construction contract was awarded to L.A. Drew Inc. to construct the facility. Construction commenced in June and was completed in mid-October at a total cost of \$402,165.22. Recycling equipment was purchased from Recycling Equipment and Service Company, Inc. for \$114,684.50 installed. Considerable savings on construction and equipment costs were realized by the District because of the recession and number of interested bidders.

A three year contract was awarded to FERCO Recycling Inc. to operate the newly built recycling center. Recycled materials were accepted for processing starting at 8:00 a.m. on October 21, 1991. Two tractor trailer loads of cardboard and one of newspaper were shipped to market in December.

The District started 1991 with a beginning balance of cash on hand in the amount of \$128,411.23. It ended the year with a favorable cash on hand balance of \$261,420.44 which was used to reduce the 1992 budget. This favorable balance was attained by obtaining an excellent for facility construction and equipment and conservative spending.

The Education Committee of the AVRDD produced two newspaper inserts this year designed to educate taxpayers on how the District works and budgets its funds. They have also produced a list of recycling do's and don'ts that have been adapted for individual use in every town in the District. A group of committee members have been visiting schools throughout the region with a special "Trash to Treasure" program and hope to visit every elementary student in the District before the end of this school year. Members of the Committee are also available to speak before local civic groups about recycling and other solid waste issues.

Jefferson became a member of the District April 4, 1991. The initial payment of \$7,680.26 included the joining fee of \$4,868.26 and the first semi-annual dues of \$2,812.00. The second semi-annual dues were paid June 10, 1991 for \$2,812.00

James River Corp. opened their landfill in October for municipal use. The cost per ton at the Landfill ranges from \$63.76 for Success; \$18.16 per ton for Berlin; \$17.15 for Northumberland; \$16.39 for Gorham and JEFFERSON is at \$13.90 per ton.

The cost for the District Budget including running the Recycling Facility and the James River escrow account is \$11.05 per ton. Therefore, the total cost to the Town of Jefferson for every ton of municipal solid waste generated in 1992 is \$24.95 including recyclables.

Respectfully submitted,

Robert S. Platt
Administrator/Coordinator

Joanna G. Fyon
Recycling Coordinator for
Town of Jefferson

NORTH COUNTRY COUNCIL ANNUAL REPORT

North Country Council is the Regional Planning Commission for 51 towns in northern New Hampshire. It was established almost 20 years ago by the legislature to respond to communities' needs for local and regional planning and development programs. As a membership organization, the Council is supported by local community dues which are used to match state and federal funding sources.

Assistance available to member towns includes municipal planning, regional planning, transportation planning, business and industrial planning /development, landscape architecture, solid waste planning, resource management, GIS mapping and public education. The Council provides this professional assistance to Planning Boards, Boards of Selectmen, Zoning Boards of Adjustment, Conservation Commissions, Solid Waste Districts, Local Development Corporations, Non-Profit Community Organizations, Chambers of Commerce, Educational Institutions and Social Service Organizations and Agencies in our member towns.

In JEFFERSON, the Council provided on-going technical assistance to the Planning Board on several planning projects and worked with the Selectmen on a number of Community Development Block Grants for the Jefferson sewer system. The Council also represented the local government position to the Northern Forest Lands Council and gave status reports on Northern Forest Lands Council activities. Council staff continued technical assistance on solid waste through the Androscoggin Solid Waste District Education Committee which promoted recycling education to district residents.

Throughout 1991 North Country Council continued its commitment to local and regional planning assistance. The year also saw the Council rededicate its economic development program to address the worsening North Country economy, its solid waste program to aggressively reduce the volume of solid waste generated in the region, and its land use program to address the problems confronting the Northern Forest.

In the ensuing year the Council will continue its present course and work program with an intense commitment to local technical assistance, development of local leadership and ability, and the provision of membership services to support community and regional needs.

Persons interested in regional issues as discussed in this report are urged to contact their Selectmen for appointment as Council representatives or committee members.

TRI-COUNTY COMMUNITY ACTION LANCASTER OUTREACH CENTER

Again this year, Tri-County Community Action Program would like to request funding assistance for our Outreach Program in Lancaster in order to provide necessary social services. For 1992 we would like to request \$500 from Jefferson.

Our Outreach Coordinator, Harriet E. Forbush, has her salary and office expenses paid for three months of the year by the Fuel Assistance Program Grant that we receive. The funds to keep the local Outreach office open 9 months of the year come from your town and those of your neighbors and some of the Community Services Block Grant funds received.

Because of the reduction in federal funds received for our Outreach Program, we are asking for your continued financial assistance with a modest increase. We are able to keep our request for funds from the towns small, at this time, as a result of a grant from the State of New Hampshire to assist homeless persons/families throughout the northern three counties.

In 1991 243 households, 501 individuals (duplicated) were assisted by the USDA and Food Pantry for a food value of \$1,978.95. The Outreach emergency fund paid electricity in the amount of \$56.16. Fuel assistance for the 1990-1991 season amounted to \$21,123.56. The new fuel season 12/2/91 to 12/31/91 served 24 households amounting to \$11,490.00. Weatherization assistance amounted to \$3,055.00. Homeless monies amounted to \$109.97. The grand total expended for residents of the Town of Jefferson was \$26,438.54.

I look forward to serving you in 1992.

Sincerely,

Harriet E. Forbush,
Outreach Coordinator

WEEKS HOME HEALTH SERVICES, INC.

Weeks Home Health Services is a not for profit subsidiary of Weeks Memorial Hospital serving the six towns of Dalton, Groveton, Jefferson, Lancaster, Whitefield and Stark. The services provided are Skilled Nursing, Home Health Aide, Homemaking, Physical and Occupational Therapy and Speech Pathology within a persons home. Other services provided are community screening and influenza vaccine clinics. Our committment to quality is evidenced in obtaining Joint Commission on Accreditation of Healthcare Organization accreditation and continued Medicare and State recertification. No one is denied services because of their inability to pay, and frequency of visits depend on need.

Services provided to the Town of Jefferson for the Fiscal Year October 1, 1990 to September 30, 1991 are as follows:

	<u>Visits 1991</u>	<u>Visits 1990</u>
Skilled Nursing	206	140
Physical Therapy	34	57
Speech Therapy	4	0
Occupational Therapy	0	0
Home Health Aide	178	135
Homemaker ($\frac{1}{2}$ hour units)	642	341

We have always based our request on the population figures obtained from the Office of State Planning, however we realize the difficult economic climate of our area and are requesting the same level of support as last year.

Requested support	\$3,390.57
-------------------	------------

Thank you for your continued support which enables Weeks Home Health to continue providing community health care.

Cordially,

Roxanna White, R.N.
Executive Director

WHITE MOUNTAIN MENTAL HEALTH & DEVELOPMENTAL SERVICES

This has been a year or clearly "holding the line". There have been increasing demands on our services; yet we are unable to expand to address these needs. We have developed waiting lists, looked at alternative ways of providing service, and increased our aggressive pursuit of billing.

Mental Health Services

We operate one full-time and three part-time offices. The full-time office is located in Littleton at 16 Maple Street. The part-time offices are located in Woodsville at the junction of Route 10 and Swiftwater Road; in Lincoln at the Lin-Wood Medical Center; and in Lancaster at Weeks Memorial Hospital.

Last year we provided over 8,000 hours of service.

- 891 emergency visits
- Our Partial Hospitalization Program is full with the opening of our group home
- vocational training and transitional services are also available despite the economy

We offer a comprehensive array of services including 24-hour emergency, drug and alcohol, case management, inpatient, and partial hospitalization.

Developmental Services

- Early Intervention. Home-based service for 0-3 year old children who are delayed in their development. Services include screening, assessment, treatment, and referral. We continue to provide clinics throughout our region to increase our ability to serve more children. Annually we average service to sixty families.

- Habilitation Services. Provides instruction to our most severely impaired adult population. The program works in conjunction with their residential programming as well as providing training and instruction in self care skills, pre-vocational skills, paid work, and other therapeutic services such as speech therapy and physical therapy. This program has been primarily used by former Laconia State School residents; however, we have had community clients who have been referred by local school systems. Last year, we served 21 clients in two locations (Littleton and Woodsville).

- Supported Employment. Provides training, instruction, and work adjustment for mentally ill and mentally retarded individuals. Paid work opportunities for the individuals can take place either in the community or in the workshop itself. Last year, we operated twelve job sites directly in the community. We have also completed over twenty individual job placements.

We are grateful for your past support and look forward to continuing to serve you.

Respectfully submitted,
Dennis C. MacKay, Area Director

ENMAN SCHOLARSHIP FUND

The year 1991 was the eighth year for the scholarship honoring the late Charles and Dorothy Enman, who were active and highly regarded in the Jefferson Elementary School. The fund was able to provide scholarship funds for qualified students. This year they were Melissa Grella and Larry Walker.

Any senior who is a resident of Jefferson, attending either public or private high school, regardless of location, and planning on continuing his or her education is eligible to apply for this scholarship.

We would like to again thank all who have donated to the fund. Donations may be made by sending checks to any committee member. Checks should be made payable to Charles Enman Scholarship Fund. Scholarship recipients are chosen by the Jefferson Library Trustees. The 1992 committee is Marietta Ingerson, Elaine Kenison, Ardeane Saucier.

NEVERS — TOWN OF JEFFERSON SCHOLARSHIP FUND

The Nevers Scholarship Fund was founded in 1981 by the family of Wilbur and Gurda Nevers in honor of their 50th wedding anniversary. This scholarship is to help any high school senior from Jefferson who wishes to further his/her education. Any student wishing to apply for the scholarship may acquire an application at the White Mts. Regional High School.

The recipients this year were Daniel Lottero, Erica Paschal, Sara Patnaude, and Eric Reed. We wish them much success in furthering their education.

We wish to thank the Nevers family and all other donors very much for their continuing contributions to the scholarship fund. Donations of any denomination are welcome and should be sent to the Town of Jefferson, Trustees of the Trust Funds, in care of Bruce Sanborn.

Respectfully submitted,

Shirley Call, Library Trustee Chairman
Wilma Corrigan, Library Trustee
Adele Woods, Library Trustee
Opal Bronson, Town Clerk
Brenda Gross, Librarian

BIRTHS REGISTERED IN THE TOWN OF JEFFERSON, NH FOR THE YEAR ENDING DECEMBER 31, 1991
